Rehearsal day and time \_\_\_\_\_

Please specify the days and times your child is available for PRIVATE LESSONS ONLY. Please give at least two possible time ranges and days, and as wide a range of times as possible. Consider picking your child up at school either at dismissal time or slightly before dismissal. Also, parents of kindergarteners may be asked to take their children out of school a little early to fill times before 3:00 p.m. We will make every effort to accommodate your individual needs for private lessons. However, it is not always possible to give everyone his or her first choice. Priority in scheduling will be given to students in the order in which their registration forms and deposits are received. You will be notified of your lesson time in August.
